

Let's explore the gardens !

Hi! My name is Dreamer!!
need help to discover
all these gardens!

Exhibition "Architecture in the garden in Val de Loire"

I was born in 1867!
As I get older, I forget everything!
Can you help me finding the

A) The general inventory of heritage is used to:

- 1- ☐ Identify, study and make known the heritage.
- 2- ☐ arrange the castles.
- 3- ☐ Create gardens.

B) The expression "Jardin de la France" ("Garden of France") was first used to designate:

- 1 - ☐ The city of Anjou (Angers)
- 2- ☐ The city of Touraine (Tours)
- 3- ☐ All of France

C) The garden was enclosed and exhibited a French formal garden during:

- 1- ☐ The Renaissance
- 2- ☐ The Antiquity
- 3- ☐ The medieval period

D) The "English garden" model appears:

- 1- ☐ In the 18th century
- 2- ☐ In the 16th century
- 3- ☐ In the 19th century

E) I'm dug into the ground and keep the ice frozen all year long, who am I?

- 1- ☐ The orangery
- 2- ☐ The Ice House
- 3- ☐ The greenhouse

Beware! Throughout the booklet, some letters will be colored in green! Write them here to find the hidden word!

— — — — —

Oh dear! Once again the dreamer mixed up everything! Can you help us putting the pieces in their original place?

Did you know ?
This Florentine fountain is located in the gardens of the Castle of Valmer, built during the Renaissance period!

6

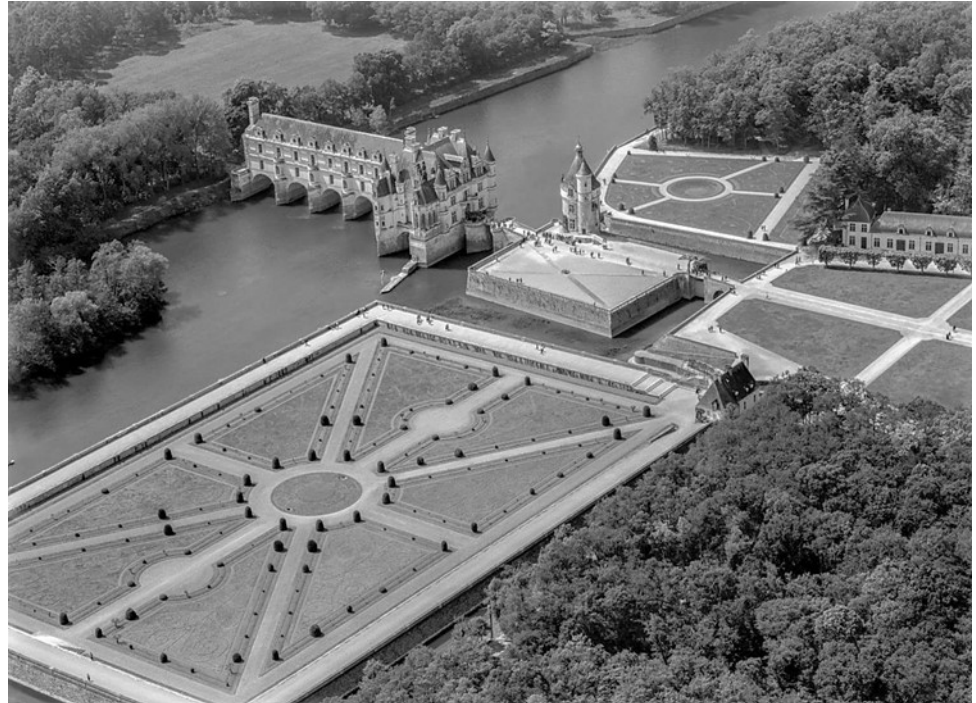

Hmm, guess what I'm dreaming of?

I am very popular in the gardens.
I am flexible and fluid.
Thanks to me, plants remain beautiful.
I can be in Cascades, jets or fountains.
Who am I ?

In 1955, the garden of the
castel of Chenonceau
was very sober

Draw on the photo elements that
would make you want to go for a
walk!

Once again the Dreamer has played
up, help us to find the word she hid!

Did you know?
This *is* a place where fruit
trees were preserved during
the cold season, especially
citrus fruits!

A, G or Z Letters : 

I, P or M Letters : 

O, N or V Letters : 

E, F or X Letters : 

R Letters : 

There is no way of recognizing them...

Similarities

Differences

Which of these two gardens is "regular"? Which one is "landscaped"?

Have you found out where the Dreamer comes from? If so, write it down!

It's up to you! Show the Dreamer where these éléments Come from by connecting them to their garden!

1

A) Gardens of des Prébendes d'Oé

3

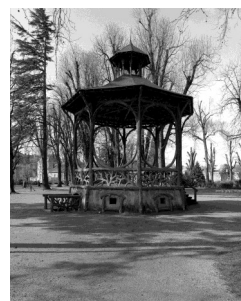

2

B) Mirabeau Tours Parc

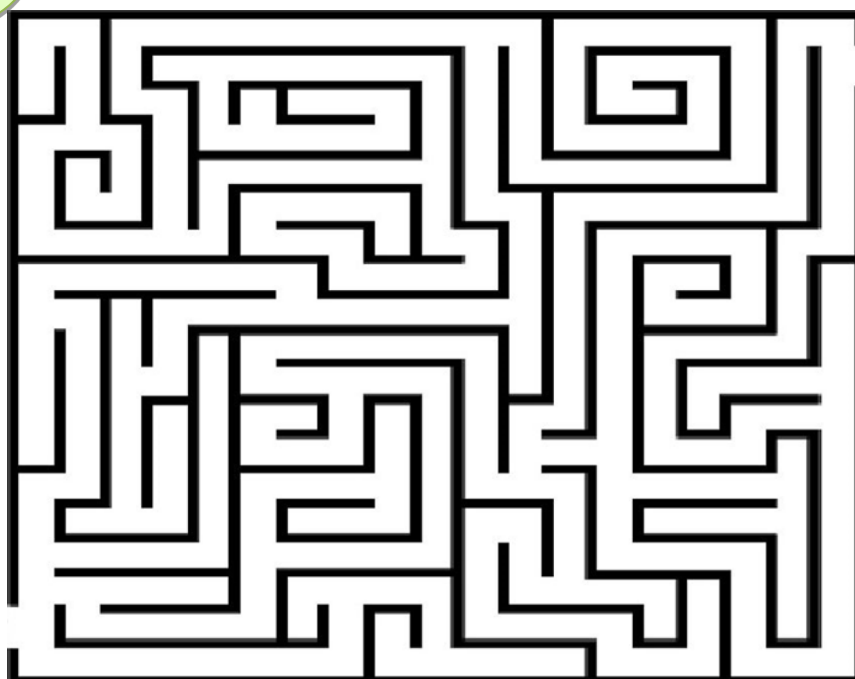

4

C) Castle of Villandry

By constantly being daydreaming, I got lost in the garden!

Could you help the Dreamer find her way back?

In the gardens there are useful buildings as well! Explain this to the Dreamer by associating each letter with the right number!

A

B

C

D

- ☐ 1 : Place where snow and ice are stored during winter, to store food or make sorbets.
- ☐ 2 : Device designed to pump water using wind power. Useful to ensure watering for example!
- ☐ 3 : Construction allowing the drying of fruit in order to preserve them
- ☐ 4 : Garden construction welcoming birds, consisting of a wooden or metal cage.

Thank you for your help! Now you can imagine your own garden and draw it !

See you soon !
