Materials for heritage Exhibition: The art of building in the region of Centre-Val-de-Loire from the Middle Ages to nowadays

As your visit, place the following pictures on the map of the Centre Val de Loire region!

And you,
Where do
you live?

Throughout the notebook, identify the letters in purple and write the hidden word!

Link each material name to the corresponding picture/image

1

Wood

4

Mosaic

2

Tile

5

Métal

3

Brick

6

Stone

Which material for which image?

Little anecdote: this house is totally covered with pieces of broken plates

True or false? Can you find the right answer?
Did you find it? Circle it!

1-The service of heritage and inventory is a service of Centre-Val-de-Loire region

T F

2-Before 1800, framings were made of wood.

T F

3-Concrete is the newest material.

T F

4-Brick warms up the building as a whole or in small touches.

T F

5-The exploitation of natural resources does not transform our landscape. T F

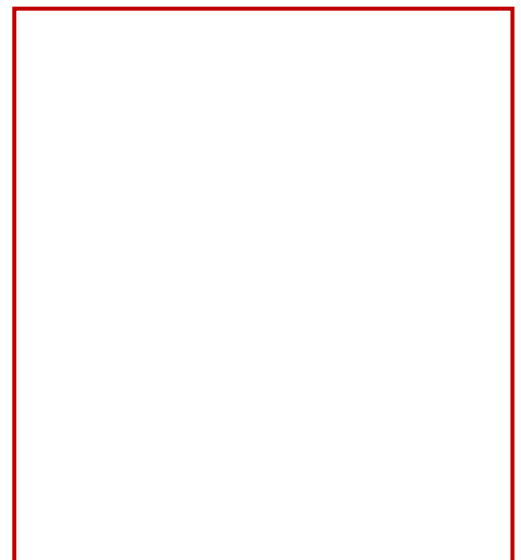

6-Slate covers the roof of the trusses.

T F

An architect must
know how to draw
(pictures)!

Need
(some)
help?

Here is the list
of words that
are hidden:

- Mill
- House
- Castle
- Factory
- Architect

What does
this image re-
mind you of?
Write in the
spaces every-
thing that
comes to your
mind!

Hand-drawn orange ovals for writing answers to the image prompt.

Two large hand-drawn orange ovals for writing answers to the maze image.

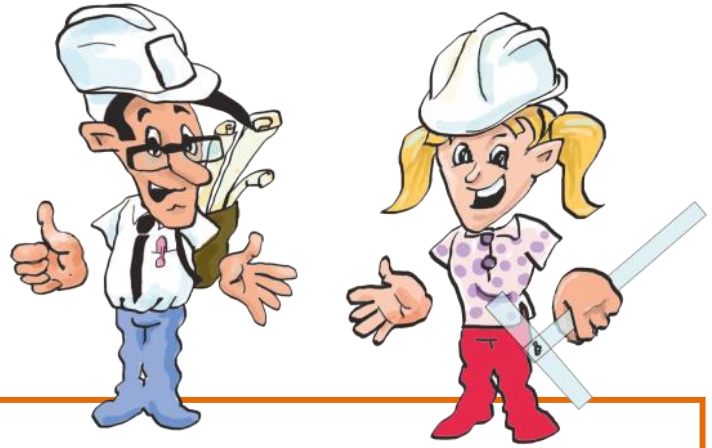

In this house under renovation , the masons made some mistakes, it's up to you to find out how many pictures they have mixed!

Did you know this? The picture represents the door of the billiard room of the Beaudenin castle in Pressigny-les-Pins, built for Charles Senier, an annuitant !

You are now an architect! Imagine the house of the future and design it!

See you soon!
